### Connected Organisations

The Academy's co-sponsors, David and Anne Crossland and the Church of England, have previously made equal financial contributions to the Academy in terms of the Endowment Fund totalling £375k. Both co-sponsors made further equally shared financial commitments

up to 2020. A total sum of £124k was received from the co-sponsors and Endowment Fund earnings in 2015/16. Of this sum, £109k related to specific purchases agreed by the Governing Board and £15k related to the agreed schedule of remaining annual payments.

The co-sponsors have representation on the Academy Governing Board at both Governing Board and Committee level and, as such, provide an important contribution to the success of the Academy.

In relation to the business activities of the Academy Trust, Manchester Diocese is considered to be a connected organisation. An annual subscription is paid to Manchester Diocese in order for the Academy to access services and resources available to all Church of England Schools through a Service Level Agreement. At £1,416 (renewed in April 2016) this is considered to represent value for money for the Academy and is only available through Manchester Diocese.
