All years Parent Focus : Safer Internet Day

Student Leadership - Y8 Healthy Lifestyle Champions will be working on their leadership and organisation of larger groups in varied sporting activities and their teaching skills. The Champions will have planned the Y8 sport event for March 2022 with their £1500 funding. Y9 Level 1 Sports Leaders programme to be undertaken by last years' Healthy Lifestyle Champions. Students will commence training emphasising organisational and leadership skills working towards the delivery of guided learning sports sessions to groups of 10-20 students.

Year 10 Heroes: Heroes will be looking at how to support students' mental health working in partnership with school health practitioner, delivering lunch time support and signposting to key services.
