

To Parents and Carers of Year 11 Students

30 November 2022

Dear Parents and Carers,

Year 11 College Application Examinations

I'd firstly like to thank all parents and carers for your support this term with Year 11. I would like to praise our Year 11 students for the way in which they have focussed on their studies since starting in September and we will continue to work together to ensure the best possible outcomes for all students.

As you will be aware, we paused the Period 6 lessons over the College Application examination period. We would like to congratulate all students on how hard they have worked for their exams by attending morning tutorials and using the study area during break and lunchtimes for additional revision time. **Period 6 has restarted and it is important that all students attend these sessions.** The Year 11 study area is still available during break and lunchtimes for students to continue their good study habits in preparation for their examinations in the new year.

On Friday 16th December 2022, we have an exciting end to the Autumn term for your child. In the morning, your child will come to school at 9am to receive their College Application examination results and have a celebration breakfast together. We'd like to take this opportunity to invite you as parents and carers to attend the results collection with your child between 9am and 9:30am. After the collection of results and departure of parents we will then have our Year 11 Awards assembly to celebrate all our students' excellent achievements this term including their College Application examination results.

Year 11 students will then leave the academy at 10:30 as they break up for the Christmas holiday.

And finally, we have started planning for next year's Prom. This is an important event for our students as we celebrate their time at the academy and wish them well in the next stage of their studies. It is important that your child has excellent attendance, punctuality and attitude to learning as they collect points towards their Prom pass.

Please find below a copy of the updated exam timetable from the exam boards for May/June 2023.

We'd like to wish you all a Merry Christmas and a Happy New Year.

Yours sincerely

Rebecca Box
